

SPACES FOR GOOD COMPANY

Furniture that brings people together.

Restaurants / Cafes / Hospitality / Outdoor

MADE AROUND YOUR PROJECT

Your space. Your specifications.

From dimensions and finishes to upholstery details, we coordinate furniture around the way your commercial space works.

01

Dimensions & layouts

Sizes and furniture combinations tailored to your floor plan.

02

Materials & finishes

Coordinated tabletop, frame, color and finish selections.

03

Upholstery & detailing

Fabric, leather-look and seating details shaped around your brief.

04

Production & delivery

Order coordination, quality follow-up and export packing support.

From your brief to a coordinated collection.

Share your floor plan, furniture references and required quantities to begin a project conversation.
